Worship Leaders 2025 Annual Report

Dearest in Christ,

The Book of Proverbs is filled with great, bite-sized nuggets of wisdom – and caution. We all know Proverbs 16:18, “Pride goes before destruction and haughtiness before a fall.” (NLT) Lately, I have noticed my cheerful disposition gleefully bragging on the good works of Love of Christ Lutheran Church so much so that I have been left to wonder whether or not my pride of this generous and love-affirming congregation is itself sinful...not to worry, for if it is, then I claim to be sinfully proud to be your current preacher!

That’s not to say that I take pride in the sin that pride can be, rather jovially share in how much love you all have to offer.

Just a little update for you on my progress in my quest to become a (your?) lay pastor. I have shared this with your Council and have received many words of praise and encouragement and now I share it with you! I have two seminary (online) courses remaining to take, a psychological evaluation to have, and a sermon to preach before a committee for my Presbytery. Following these four requisites and if the way be made clear, I will become a “real” pastor!

Thank you for your thoughts and prayers of support, compassion, love, encouragement, and affirmation. I look forward to the journey ahead and to continuing my service with you here at the Love of Christ fully acknowledging that one never stops learning. May it be so with all of you.

God Loves You, and so do I!

EAGLE WINGS

Eagles possess long, broad wings with primary feathers separated at the tips like fingers. These feathers act as slots to reduce drag, prevent stalling at slow speeds, and provide stability. The wingspan of an eagle can reach up to eight feet, enabling it to reach speeds of 40 miles per hour in flight and 100 miles per hour when diving.

An eagle can fly as high as a commercial airliner at 37,000 feet, and is wonderfully graceful in the air. Eagles fly primarily by soaring and gliding, using broad wings and specialized, slotted feathers to catch rising, warm air currents called thermals, which allow them to conserve energy and fly for hours with minimal flapping. They flap to take off or accelerate, utilizing their large wingspan to generate immense lift.

God’s “wings” provide the ultimate safety for all who will come under them. They offer optimal protection and unsurpassed security. More than this, they are wide enough and large enough to take in all who would respond to the Spirit’s biddings. None need worry whether there is room enough under the wings of heaven’s Eagle, for Jesus Himself says, “Come to Me all you who are labor and are heavy laden, and I will give you rest” (Matthew 11:28)

Spiritually, wings symbolize freedom, protection, transcendence, and divine connection, representing the soul’s ability to rise above earthly concerns, receive guidance from higher powers (like angels or gods), and signify transformation, hope, and spiritual growth.

‘Every one of you has seen what I did to the people of Egypt. You saw how I carried you out of Egypt, as if on eagle’s wings. And I brought you here to me. (Exodus 19:4)

“Those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint.” (Isaiah

40:31) My prayer and hope is that you and I will rest on God’s promise and let Him carry us through all our heartaches, sicknesses and even our grumpy bad humor. GOD BLESS

Council President 2025 Annual Report

It has again been a blessing to me to serve as the LOC Church Council President for the past year.

We are fortunate to have Mr. Bob Dymond continue to serve as our Service and Spiritual Leader. During the past several years and into this year, Bob has been an inspiration to us. When we leave the Church after his sermon, we know that we are in God's hand. I also want to thank Pastors Chuck and Bev Wolff for their help with our services and communion.

It is natural that our congregation changes over time as new members, or new visitors, join us and some of our friends leave us. Those that leave will always be in our thoughts and prayers. But we do gain new friends and members, and we give thanks to the Lord for sending them to us.

Sandy Thormahlen continues to do a fantastic job of providing us with what can only be described as "heavenly music." Our organ or piano can be heard every Sunday as it adds warmth and comfort to our services. I also want to thank LuRae Schwartz for helping with selecting our Sunday hymns.

Our wonderful Church Administrator, Julie Knutson, continues to serve our congregation with dedication and professionalism. We are so truly fortunate to have her talents.

Judi McClellan, who chairs the Social Ministry and Outreach Committee, has done an outstanding job continuing our outreach to Northbridge Elementary School. She also organizes our Spring Fling and all the activities we enjoy during that event. Special thanks go to Rich Klindt for all his help with our Sunday services and communion and to Rex Kirchhoff for his help as an usher each Sunday. Also, thank you to Sharon

Vice President 2025 Annual Report

As the Vice President of the Church Council, (I accepted after Jon Swartz had to resign due to illness) there isn't a lot of news to give. However, it is a very important position. If for some reason our President is unable to perform his duties, the Vice President needs to step up and be able to perform the President's duties. I want to humbly thank Bob Chaloupek to accept another term as President for 2026. I know he has been in the position for a long time and does an outstanding job. I feel I need more time before I can even "hold a candle" to what Bob does. Please take a moment to personally THANK YOU BOB for all the hard work he has done and continues to do.

Being active at Love of Christ Lutheran Church has been very rewarding 100-fold! Please think about donating your time, talent, etc. No matter how big or how small, everything you do is awesome. That's what helps make our church truly the LOVE OF CHRIST.

Newcomer for ensuring that the correct candles are lit each week.

Our financial position remains good thanks to the commitment each member makes to our Savior. As desired by our God, these resources are used for the benefit of our congregation, for our community, and to our synod. I also want to thank our Treasurer, Lauren Coyle, and to a strong Finance Committee led by C.B. Shields.

Thank you for allowing me to serve as your Council President. May God continue to Bless all of us.

Bob Chaloupek

Associate Member at Large 2025 Annual Report

Being an Associate Member of Love of Christ Lutheran Church and representative on the Church Council is and has been a pleasure. It is a pleasure to see the inner workings of the church and the dedication of the staff and members of the council expressing the “Love of Christ” through the actions taken and decisions made. Actions taken are more than Sunday morning services, which are important, but actions taken are “outside the walls” which is out in the mission field and representing the congregation.

Sunday services are certainly important in the life of Love of Christ Lutheran Church. Julie Knutson is integral in all aspects of Sunday services as well as a very capable office manager during the week, with Sandy Thormahlen, organist, who adds much to our Sunday services.

Ruling Elder, Bob Dymond, challenges us every Sunday to share the “Love of Christ” and as he greets us to feel welcome during our service within the walls and find blessings from those around us. May we be blessings to those in the congregation as well as to those outside by “Sharing the Love of Christ”.

A big thank you to the congregation (men and women) who help with the Lector or Usher talents. God gives us special gifts and talents, so we can live fully for him. Please sign up to Usher or Lector for a Sunday. What great joy to see the smiles on faces, as we come together to sing, proclaim, receive and go forth!

Happy Stitchers 2025 Annual Report

In 2025, we were proud to distribute 60 adult quilts and 45 baby quilts. Our outreach also included 21 prayer squares, numerous pocket squares, and 17 prayer shawls. Beyond supporting those who were ill, the quilts created through this ministry are donated to North Bridge Elementary, Knapp Hospital, WIC, the Salvation Army, the Aurora House and local colonias through Pastor Edmund Weber of Immanuel Lutheran Church & School in Mercedes, Texas.

January

Once again, our congregation stepped up to the plate and donated many cans of soup for Souper Bowl Sunday. This has been a standing tradition for over 16 years to support the Aurora House. Also donation of \$250 was received. LoC paired with tacklehunger.org to join the Super Bowl of Caring. The donations ran through January and were given in February.

February

Our Spring Fling with the theme “Love One Another” was a huge success. This is a fund

raiser for Northbridge Elementary School. This year we had 6 raffle baskets each worth at least \$50 that were donated. Over 375 raffle tickets were sold. In

addition to the raffle we also had our auction – the beautiful picture donated by Helen Lamson and the peanut brittle donated by the Hedlunds were the star auction items. 52 people attended a catered dinner by Robert Torres at the Villa de Cortez. Liz, our school coordinator had a photo booth decorated for Valentine’s Day and many of our congregation had their pictures taken. Thanks Julie Knutson, for printing and distributing the pictures. We ended up with a profit of \$2,256.00

March and April

Our Lenten offering was \$624 that was donated to the Aurora House. This is a donation we have been doing for many years.

May

Food Bank of RGV: We donated \$500.00 to the Food Bank of RGV. In addition, we participated in the Annual “Stamp Out Hunger Food Dive” coordinated with the letter carriers. A donation box was placed in the church lobby for non-perishable items. The items were brought to the US Post Office in Weslaco.

August

Lou Vitek and I met with Northbridge Elementary School. We now have a new parent coordinator, Gabby Castillo. Lou has donated many items to Northbridge to be used as incentives for attendance. This is the school’s main focus this year.

September

We began reading to the children at Northbridge Elementary School.

Lou and I attended Grandparents Day. We donated a couple of quilts for door prizes. It was absolutely packed – we even had a hard time finding a place to park. It’s amazing how much their grandparents are involved with the school.

We donated \$100 for a child that was displaced and needed clothes (uniform, books) etc.

October

We continued to read to the children at Northbridge Elementary School. They are extremely busy with field trips, tests, etc. We have several people who are excited to read to the kids. If you are interested, give me a call 651-261-2013.

November

I attended a “Literature Evening” at the school and read to the kids. This is an evening where parents can come and talk to teachers, buy books, and talk about different activities the school offers. It was fun and even videotaped me reading to the kids.

Thanksgiving Dinner this year was a catered dinner by Robert Torres. It was a fund raiser for

Northbridge Elementary School. Donations were given by the 40 people that attended. We also received \$250.00 from Thrivent. Thank you LuRae and the Hedlunds for bringing the left overs to the Aurora House. Our caterer is very generous and the food was excellent. We raised after expenses \$1,218.01. Huge thank you for your continued support of donations.

December

We had our Christmas Program December 12 at 1:00 in the afternoon. The Northbridge Elementary School Children's Choir 4&5 graders presented a Christmas program to our congregation for about 20 minutes or so. Unbeknown to the kids, Santa Claus arrived after the program. A small gift and a gift bag (candy, orange, apple, socks) was given to each child. We also had a semi-professional photographer with a Christmas background taking pictures. I along with many adults had a chance to have their picture taken with Santa. Jeff who is Santa, Dave his helper, and Wilma the photographer are dear friends of mine and volunteered on their own as they know how important my involvement with LoC is to me. A little anecdote: I asked CB 92 years old if Jerrie 94 years old would be able to sit on Santa's Lap. They left right after the program – CB said "I am the only one that will sit on her lap". TRUE LOVE!! and a bit jealous after all these years.

I also want to thank Lori Kiehl, daughter of Mary Niemann, who has volunteered to teach crocheting at Northbridge Elementary School. This was a suggestion by their Principal to help out with some of the children that need extra guidance and a little bit of "tender loving care". I'm excited to see how it will work out and will update you as we go along.

To complete our 2025 year and help with the Christmas season, we have donated \$200.00 to the RGV Food Bank, \$200.00 to the Aurora House, and \$2000.00 to Northbridge Elementary School.

Thank you everyone for your generous donations, volunteering, and support. As I said many times before, we are a small congregation, but we have huge hearts.

May this New Year be the best for you and know that God has a plan for all of us. We just need to have LOVE, FAITH and HOPE.

NEWS FROM PASTOR GENE

Greetings from the north country where the corn is as high as an elephant's eye, and the beans blot out the rows. Life is great, and the blessings of God are many

I would like to express my THANKS to all who surrounded me with love and prayers when my hip broke entering Love of Christ Church to conduct a Lenten service last spring. All of that is a precious memory as I am now walking naturally. The medical world is truly appreciated, and the healing Presence of God amazing.

Life is back to its natural busy schedule. Generally, one Sunday a month is free. I have conducted two funeral services and one wedding ceremony.

I am looking forward to coming down to The Valley after Thanksgiving.

Things for the semi-truck are being gathered for the Sharing Place. We hope to have a load of things for the people of the Runn School District.

I hope all is well with each of you. May the blessings of God be yours to enjoy and appreciate.

Love, Pastor Gene 9/2018

PASTOR GENE'S COMMENTS

WORSHIP

When Christ lives in the heart, the natural reaction is worship. When we realize what a privilege it is to be given the power to become a child of God, we gratefully respond in worship.

We know there are many distractions. So many things are bidding for our time, we often neglect the most important thing and that is our relationship to God. Where would we be today if God, our Father, withheld his blessings?

Our churches should be filled to capacity as we recognize that Jesus Christ is Lord of all. We need to invite others to join us, yes, we should offer to take them with us on Sunday and help them feel at home with the service of worship.

There is nothing that can fill our hearts with peace and joy like our relationship to God. We have the privilege to live with Him in Prayer with the assurance that He will Hear and Bless.

As our relationship to Him grows more and more personal, our hearts are filled with gratitude. Our life should be one continual act of thanksgiving for the joy of knowing our sins are forgiven. Evil would like us to ignore Him, but we cannot as we believe that He is the Lord of life, our life.

Be sure to arrange your schedule so that you find time to worship on Sunday morning. Take time for your devotions every day. And take the name of Jesus with you.

Love of Christ Lutheran Church

AFFILIATION

Love of Christ Lutheran Church is a member congregation of the Evangelical Lutheran Church in America, (E.L.C.A.), a five million plus member expression of Lutherans in the United States. As such, we are part of the Southwestern Texas Synod, one of the sixty-five synods, in nine geographical regions, across North America, and the Rio Grande Valley Conference, within the Southwestern Texas Synod.

HISTORY

Love of Christ came into being in the summer of 1997, when a small group of people, both full time Rio Grande Valley residents and part time residents, or “Winter Texans” as they are sometimes called, began discussing the idea of establishing a new Lutheran congregation in the Weslaco / Mid Valley area. The name “Love of Christ” was chosen to express to the community that the love of Christ dwells in and among us. This idea is encapsulated in our mission statement:

“Christ living and loving through us!”

On June 22, 1997, the first worship service was held in the home of one of those original founding worshipers, with 24 people in attendance. By the end of the first summer, the group had grown to need a larger space for worship and with the support and encouragement of people locally, as well as Winter Texan friends in the North; two important steps were taken in September of 1997. First, the congregation moved into its current location, sharing the facilities of First Presbyterian Church of Weslaco. Secondly, the congregation sought, and was given, “Authorized Worshipping Community” status by the synod. The stage was set for greater things to come.

Over the next five years, love of Christ continued to grow in worship attendance, especially during the months when so many Winter Texans return to the Rio Grande Valley. Word of this new Lutheran congregation began to spread, and between October and April each year, the church became more and more full each weekend. December, January, and February, are usually the highest attended months, with attendance figures topping out between 250 – 350 people each weekend.

On September 14, 2002, exactly five years from the first worship service held at First Presbyterian, by approval of the Synod Council of the Southwestern Texas Synod, Love of Christ Lutheran Church became the 178th congregation of the synod. On February 2, 2003, The Reverend Doctor Ray Tiemann, Bishop of the Southwestern Texas Synod, presided at the Charter Sunday worship service and celebration. A new

STEWARTSHIP THOUGHTS

Several years ago our Mobile Home/RV Parks were full; today they are not. Our Love of Christ winter congregation was over 300 people; today we are nearer 200. People are not coming to The Valley as they were.

Love of Christ is and always has been a very loving and giving congregation. Do we stop giving or do we dig a little deeper in our pockets to donate a bit more? Years ago \$1.00 would buy 20 cups of coffee, 5 packs of cigarettes, 20 packs of gum...you get the idea. Today our dollar is worth approximately 5 cents. Each week we report our offering total. If each person giving \$1.00 in the summer our total would be \$44.00 per week; in the winter approximately \$200. We thank those who are pledging and we know that it can be a challenge. Without you we could not continue. We have been in the black on our budget just two months in 2018. If we all could give just a few dollars more, this could be corrected and we could continue our mission projects. There is such great need here in South Texas and much of our giving stays here.

We welcome your thoughts in this matter as well as your prayers. Somewhere in our budget there will need to be changes. Where will they be and what shall we do?

CHRIST CARE

Reflecting Christ's love in our community of faith! Through His inspiration, we seek to share His love with all. If you—or someone you know—could use Christ's care, concern, prayers, or a tangible expression of His love, please reach out. Call the church office: (956) 447-1337 or locmailbox@yahoo.com. At Love of Christ Lutheran Church, we want to care for you, your friends, and all who long to know the love of Christ in their lives.

PRAYER SHAWL MINISTRY

Prayers are lovingly offered as each shawl is created. These shawls are then given to the sick and to those in need of comfort. Our ministry has shared shawls throughout the community and mailed them to many locations across the United States and Canada, filling requests for those seeking prayers and encouragement. We are blessed to continue this work and are pleased to fulfill requests. Contact Julie at the church office: 956-447-1337 or locmailbox@yahoo.com.

PRAYER SQUARES

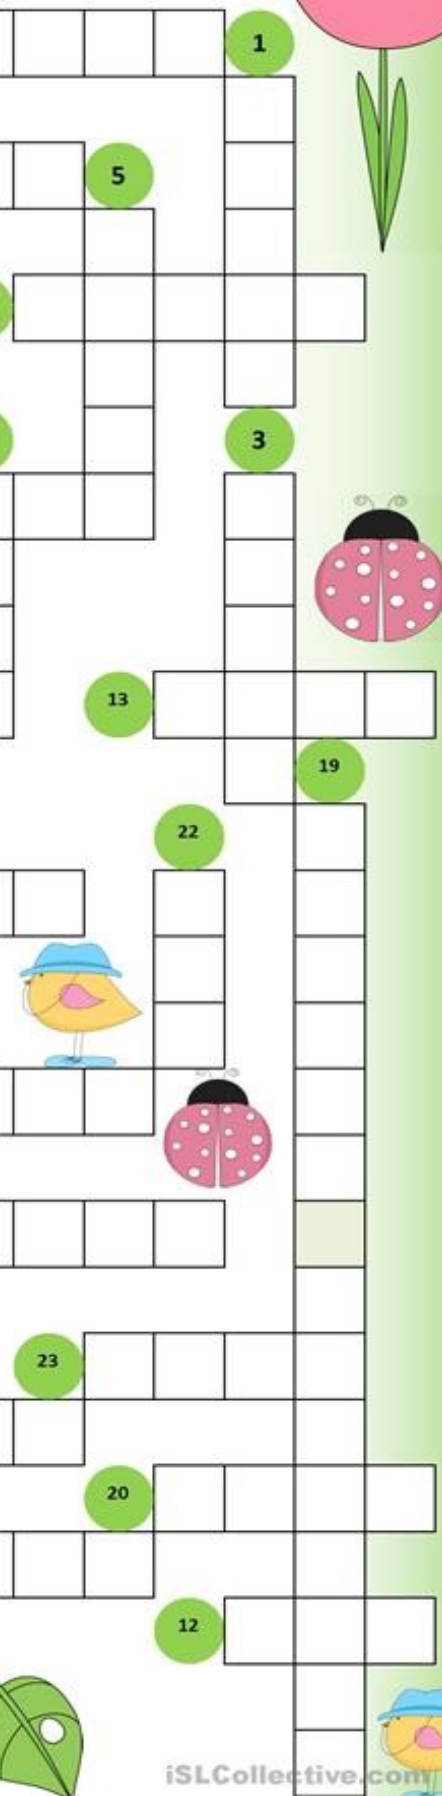

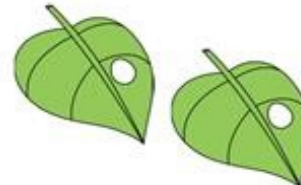

Each square is lovingly quilted and tied with embroidery thread. When a member of Love of Christ—or a friend—is preparing for surgery or spending time in the hospital, we gather together in prayer. With each knot tied, a prayer is lifted, and the finished square is given as a tangible reminder of God's love and our community's care. Every stitch and knot carries a blessing. Every square is a prayer you can hold. If you know someone who could be comforted by a Prayer Square, please contact: Julie at the church office 956-447-1337 or locmailbox@yahoo.com.
